Subject: A Job Well Done

Dear Mr. Cory Tribble:

The purpose of this letter is to express our appreciation to Bagby Electric of Virginia, Inc. for a **job well done** on the Kaeser Compressors New Addition project in Fredericksburg, Virginia. Your whole team, led by Mr. Randy Olin and including Mr. Mark Yates and Mr. Jonathan Madison did an admirable job on this complex and highly scrutinized project. Not the least of which was the crew's travel distance (100 miles) from home.

Your entire team worked effectively and efficiently. We appreciated everyone's hard work and commitment to the project. Bagby was a significant part of the success of the project! We look forward to having Bagby on our next project as the Electrical Contractor.

Sincerely,

Gordon Rust
